Free Furniture Delivery with Qualifying Purchase*

*Terms and Conditions-

The following qualifying terms must be met for a delivery to be free.

1. Must be furniture or furnishings only.
2. The item(s) must be delivered within the city parameters of Western to the Lake and from Diversey to Cermak. Charges will apply outside this area.
3. The recipient of the Item or items must be available to receive furniture during market hours at the time set by the delivery company. Charges will apply if the recipient is not available to receive their items during the market hours.
4. The item or items were purchased for over \$150. Must present a receipt from the vendor to qualify with description, size & weight.

- Charges will apply for pieces requiring special handling, including but not limited to, items over 100 pounds, items over 6 feet in any dimension, or items constructed with fragile materials such as glass, marble, ceramic or any material prone to damage due to its delicate nature. Fragile pieces must be crated or packaged properly; Always Delivery offers crating and packaging services at an additional charge. Always Delivery cannot be held liable for the condition of items packed or crated by an outside party.

Additional Charges will also apply for items that need to be assembled or disassembled. Buyers are responsible for measuring and other considerations determining whether a piece of furniture will be able to be moved into their building. Always Delivery will not take any inappropriate risks to deliver items bought from the market.
